Subject	Description	Types of Evaluations (Such as...)
<p>Physical Education and Health</p>	<ul style="list-style-type: none"> Cycle 3.2 students will be evaluated on their ability to: <ol style="list-style-type: none"> perform movement skills in different physical activity settings Types of skills: a) loco-motor skills (e.g goes over obstacles, can do complex rotations such as round-offs) b) non loco-motor skills (e.g. maintains complex postures such as headstands or knows how to pivot on his/her own axis on apparatus/low beam) c) manipulation skills interact with others in different physical settings <ol style="list-style-type: none"> cooperation actions opposition actions cooperation-opposition actions adopt a healthy and active lifestyle <ol style="list-style-type: none"> lifestyle habits safe participation in physical activity personal hygiene related to physical activity (the importance of changing one's clothes after engaging in physical activity) physical fitness (flexibility, posture, cardiovascular endurance, muscular strength) <p>The students' knowledge of different physical activities and strategies will be observed throughout the year.</p> <p>An overall Subject Mark will appear on each report card.</p> 	<p>Participation</p> <p>Tests (e.g. fitness tests)</p> <p>Performances in Fundamental Movements skills</p> <p>Performances in sports</p> <p>Performances in specialized movement skills</p> <p>In class attitude/behaviour (enthusiasm, cooperation and sportsmanship)</p> <p>Self-evaluations</p>
<p>Visual Arts</p>	<ul style="list-style-type: none"> Students will be evaluated on their ability to produce and appreciate individual and media works of art The students' knowledge of producing their own images and messages will also be evaluated throughout the year Only an overall subject mark will appear on each report card 	<p>Participation</p> <p>Projects</p> <p>Completion of assignments</p> <p>Presentations</p>
<p>Drama</p>	<ul style="list-style-type: none"> Students will be evaluated on their ability to invent and interpret short skits and to appreciate dramatic works. Students' knowledge of the language of drama, performance techniques and styles of theatre will also be observed throughout the year. Two subject marks will appear on each report card. 	<p>Performances (Acting in skits and plays)</p> <p>Ongoing observation of participation and appreciation of drama</p>

Students with Special Needs

Please note that some students with special needs are provided with an individualized program to meet their needs. Their programs, including the evaluation and reporting procedures, may differ from those described in these pages. The teachers, in collaboration with the school's resource department, develop Individual Education Plans (IEPs) that outline the individualized programs, strategies implemented as well as resource support measures.
