- 2 boxes of tissues
- 1 box of large resealable storage bags (27cm x 28cm) (we recommend Ziploc).
- A lunch, including a drink and healthy snack items for morning recess. You may include a place mat that can be unfolded on the desktop before laying out the food.
- Clipboard - labelled

- A clean pair of non-marking indoor running shoes with **VELCRO** that will be kept at school to be worn indoors in the classroom and during gym. Please **avoid lace-up** shoes. **Velcro-ties** are more manageable for your child.
