Dear Parents,

In order to contact you quickly in the event of a transportation or emergency issue, Chelsea Elementary uses the **REMIND** App. This free App will allow you to receive notifications related to transportation (ex. bus cancellations, late buses), changes to regular procedures, or in the rare case of a school closure or emergency situation.

If you have an older sibling that graduated last year- you will need to re-register. The 2013 group is no longer active.

It's easy to sign up!

Step 1: Text the number listed below

Step 2: Write the code associated with the year your eldest child/Chelsea student started kindergarten into the text space

Step 3: Hit send!
